## OUR BRAND

Alpine Industries, headquartered in Irvington, NJ, is a manufacturer of innovative, solution-based products for commercial and institutional markets worldwide. The Alpine Industries brand is known for its high quality products, specifically in the foodservice and janitorial sectors of the industry.

Well known for our up-to-date technology, quality, and space saving designs, contractors and facility managers worldwide rely on Alpine products for system solutions in the categories of foodservice, sanitary maintenance, waste handling, material transport, away-from-home washroom, and safety products. Design innovation by a skilled and dedicated workforce has produced a range of products that are an essential part of any commercial facility throughout the world.

Here at Alpine Industries we maintain a strong practice of ongoing product research and development, and combined with a commitment to the customer, this is the foundation of our success!

## PRODUCTS

Every product in the Alpine Industries line is designed and manufactured to the highest industry standards. Our products benefit from a range of approvals in their specific industries.

## MISSION

Providing our customers with quality products that enable you to fill your requirements in the most cost effective and reliable way!

## SERVICES

Alpine customers benefit from an extensive service and technical support program, complete with customer support, repair and parts facilities, our clients have access to “hands-on” advice.

OAK HIGH SPEED COMMERCIAL HAND DRYER  
120V/60Hz **ALP404** / 220V/60Hz **ALP404-20**

The OAK High Speed Hand Dryer is quieter when compared to other high speed hand dryers, with **only an 8 second drying time**. A replaceable HEPA filter removes bacteria from the air used to dry your hands, and also helps keep the motor and internal hardware clean. Automatic, touch-free operation, insert hands into the dryer and slowly raise them to dry. Hand dryer is equipped with **a high or low speed**, and hot or cold blowing air temperature controls, and is able to be plugged in for fast and easy installation. Also featuring **a water reservoir** located at the bottom of the hand dryer that **can be easily removed and cleaned** to keep your floors and surrounding areas moisture free.

SPEED CONTROL

WATER TRAY

HEPA FILTER

HEPA FILTER  
**ALP404-HEPA**

The HEPA Filter is a replaceable air filter for OAK Hand Dryer which helps to remove bacteria from the air.

HEMLOCK HAND DRYER 110v 400-10 / 220v 400-20

400-10-SSB

400-10-BLA

400-10-CHR

400-10-COP

400-10-GRY

400-10-RED

400-10-WHI

The Hemlock Hand Dryer is a high speed automatic hand dryer with a unique design offering a blue light for hand drying efficiency. With a powerful 25000RPM motor, the Hemlock model **will dry your hands in 10 seconds**, faster than many comparable high speed hand dryers and excellent for high traffic bathroom areas. Saving thousands of dollars per year in paper towels and electricity, the Hemlock hand dryer is also **equipped with a plug-in option** for quick and easy installation. Hand dryer automatically activates when hands are placed beneath the sensor and stops when they are removed. Also features auto-stop function if hands are not removed after 63 seconds. **Covered by a 5 year warranty.**

HEMLOCK RECESS KIT  
400-RECESS

The Alpine Industries 400-RECESS recess kit works with all Hemlock hand dryers. The recess kit reduces the protrusion of the dryer to less than 4 inches from the wall to meet ADA requirements when the dryer is installed in a narrow passage (hand dryer not included).

STAINLESS STEEL HAND DRYER WALL GUARD  
400-WALLG

Our sleek, modern, corrosion resistant brushed Stainless Steel Wall Guards quickly mount with double sided tape beneath your Hemlock Hand Dryers to protect wall finishes from water stains and damage. Easily wiped down, they assist maintenance personnel in preserving the appearance and cleanliness of your restroom facilities.

SKU	UOM	QUANTITY PURCHASED IN	CASE QUANTITY	COLORS	SIZE SPECS	MSRP

HAZEL HAND DRYER 402-10-WHI

The Hazel Hand Dryer is an automatic hand dryer with a unique design, saving you thousands of dollars per year in paper towels and electricity. Perfect for your high traffic bathroom areas, equipped with plug-in wire cord for quick and easy installation, Alpine Industries Hazel hand dryers will activate when hands are placed beneath the sensor and will stop when hands are removed.

C-FOLD/MULTIFOLD PAPER TOWEL DISPENSER  
480 / 480-AB / 480-AC / 480-AN / 480-ARG / 480-COP

The C-Fold/Multifold paper towel dispenser is ideal for high traffic restrooms, break rooms, food service facilities, health-care facilities and more. Made of durable 304 stainless steel with a brushed finish, features a lock to help prevent tampering and vandalism, and a sight window on the dispenser's front to monitor fill level.

C-FOLD/MULTIFOLD TOWEL DISPENSER  
481 / 481-S

The C-Fold/Multifold paper towel dispenser is ideal for high traffic restrooms, break rooms, food service facilities, health-care facilities and more. Made of durable 304 stainless steel with a brushed finish, features a lock to help prevent tampering and vandalism, and a sight window on the dispenser's front to monitor fill level.

ACRYLIC WALL-MOUNTED TOWEL DISPENSER  
432-BLK / 432-CLR

The Acrylic Wall-Mounted Paper Towel Dispenser is a practical and attractive solution to paper towel dispensers when you reach for a single, or multiple towels to clean up major spills. With an open design you can easily pull from the bottom or grab from the top. You will always know when it's time to refill thanks to the easy open refill slot. Available in clear or black acrylic they easily accommodate any C-fold and multifold paper towels widely available. These paper towel dispensers come with a protective, peel off plastic film to protect their surface during shipment.

STAINLESS STEEL PAPER TOWEL DISPENSER 433-01

The Stainless Steel Paper Towel Holder with its sleek design and clever spring-loaded re- taining arm is a welcome addition to any kitchen, bathroom, restaurant tabletop or other area where paper towels are nearby for quick cleanup. As you pull off one or more sheets the retaining arm remains in contact with the roll, easing the tear-off process while keep- ing the rest of the towels neatly contained. A silicon base keeps the paper towel holder from slipping and will not mar high-finish counter surfaces.

STAINLESS STEEL PAPER TOWEL DISPENSER  
WITH SLIP-RESISTANT BASE 433-02

The stylish design of the Stainless Steel Paper Towel Holder with Slip-Resistant Base makes it easy for you to tear off one or more paper towel sheets with one hand. Its spring-loaded tension loop remains in contact with the roll for easy towel retrieval and also keeps the remaining towels from dangling onto your counter top. A simple twist of the top assembly allows you to quickly insert a new roll of towels. Great for any kitchens, bathrooms, or any tabletop where paper towels are used.

AUTOMATIC LIQUID SOAP DISPENSER  
421-GRY / 421-WHI

AUTOMATIC FOAM SOAP DISPENSER  
422-GRY / 422-WHI

The Automatic Hands Free Soap Dispensers are ideal for bathroom use in offices, schools, warehouses, foodservice facilities, and more. Made of durable ABS plastic with top dispensing technology to reduce risk of leaking valves. Automatic, hands-free operation for improved hygiene, and 1000mL capacity helps reduce need for maintenance. Uses four C batteries which last up to 90,000 uses, and features LED light to indicate low battery life. Mounts easily to wall with mounting hardware included.

MANUAL SURFACE-MOUNTED STAINLESS STEEL  
LIQUID SOAP DISPENSER  
423-1 / 423-2 / 423-SSB / 424-SSB

The Stainless Steel Soap Dispenser is ideal for restrooms in offices, restaurants, heath-care facilities, schools, and more. Vertical or horizontal tank is constructed of durable, corrosion resistant stainless steel with a brushed finish, equipped with window to monitor soap level and top filling opening that is vandal-resistant.

MANUAL ASPEN FOAM/LIQUID SOAP DISPENSER  
427-F-GRY / 427-L-GRY

The Manual Aspen Soap Dispenser is ideal for restrooms in offices, restaurants, health-care facilities, schools, and more. Vertical tank constructed of durable ABS plastic in a neutral gray and black finish, equipped with front window to monitor soap levels and lock to prevent tampering or vandalism, and measured doses to limit soap waste. Valve dispenses commercially marketed all-purpose liquid hand soaps.

AUTOMATIC ASPEN FOAM/LIQUID SOAP DISPENSER  
428-F-GRY / 428-L-GRY

The Automatic Hands Free Aspen Soap Dispenser is ideal for bathroom use in offices, restaurants, schools, health-care facilities, and more. Made of durable ABS plastic in a neutral gray and black finish with top dispensing technology to reduce the risk of leaking valves. Automatic, hands-free operation for improved hygiene, and 34oz capacity helps reduce need for maintenance. Uses eight AA batteries or an AC adapter, features LED light to indicate low battery life, and measured doses to limit soap waste. Mounts easily to wall with mounting hardware included, just place your hand beneath the sensor for use!

28 GALLON RECYCLING CENTER  
2 BIN 471-02-BLK 3 BIN 471-03-BLK

If you are looking for an attractive alternative to exposed garbage bags and other unsightly means of sorting trash from recyclables, the Alpine waste and recycling bins are just the ticket. Lightweight, easily assembled and made of strong and durable corrugated plastic the 28-gallon bins are offered in 2 and 3 bin options. Designed for indoor use in hospitality suites, meeting areas, pot luck dinners and similar venues, they perform best when bins are used as containers for disposable trash bags.

FEATURES & BENEFITS

- High-density polyethylene base, lid and bins shrug off dampness for long service life
- Available in 2- or 3-bin configurations per your requirements
- Labels provided for glass, plastic, paper, recyclables, cans and waste for 12-inch deposit openings
- Each bin has 28 gallon capacity
- Shipped flat with instructions for easy assembly

RUGGED 40-GALLON ALL-WEATHER TRASH CONTAINER  
471-40-SIL / 471-40-STO / 472-40-SIL / 472-40-STO

The Rugged 40-gallon All-Weather Trash Containers are the perfect solution to keeping your high traffic areas tidy at picnic grounds, food courts, ballparks, outdoor dining areas – any indoor or outdoor venue where food or beverages are served. Water-shedding, domed, lockable lid has generous openings on all 4 sides to receive refuse from any direction. Equipped with a piano hinge and dual chain retainers for secure support, the lid opens wide, giving easy access to quickly remove and replace trash bags from the separate, leak-proof, washable liner. Available in two distinct outer styles, and with or without stainless steel ashtray insert.

FEATURES & BENEFITS

- Framing and lid fabricated of weather-resistant powder-coated steel for long life
- Available with perforated galvanized steel or stone decorative panels
- Rugged, leak-proof plastic insert bin securely supports trash bags
- Optional stainless steel ashtray insert for extinguishing butts before disposal
- 40-gallon capacity extends time between collections
- Adjustable legs ensure stable support on uneven surfaces

WALL MOUNTED CIGARETTE DISPOSAL  
490-01-BLK / 490-01-SSB

The All-in-One Wall Mounted Cigarette Disposal Station is the perfect solution to reducing litter in public areas and at entrances to smoke-free facilities. Constructed of weather and fire resistant steel, with two extinguishing screens to help avoid the unpleasant odor of smoldering smokes associated with commonly used cigarette disposal configurations. Access and clean the storage receptacle easily with lock and key, and comes with wall mounting hardware.

QUICK CLEAN WALL-MOUNTED CIGARETTE DISPOSAL  
490-02-BLK / 490-02-SSB

The Quick Clean Wall Mounted Cigarette Disposal Station is the perfect solution to reducing litter in public areas and at entrances to smoke-free facilities. Discarded butts fall through four access holes into the galvanized steel interior bin with baffle opening that provides extra protection from weather. Emptying the bin via a lock-equipped door mounted with a piano hinge for long-term reliable performance in any outdoor environment.

WALL-MOUNTED CIGARETTE TOWER  
490-03-BLK / 490-03-SSB

The Wall-Mounted Cigarette Disposal Station is the perfect solution to reducing litter in public areas and at entrances to smoke-free facilities. Made from robust galvanized steel, this box holds up to all weather conditions, and safely designed to prevent accidental fires or butts from escaping. The simple, small front cut-outs allow for easy disposal, and keep discarded butts out of sight while preventing other types of litter being introduced.

TABLE TOP BOARD SIGN  
492-01-06 / 492-02-06 / 492-03-06

The Table Top Board Sign can add a touch a class to your restaurant, business, or home. This two-sided, free standing, table top/bar top/counter top chalk board can be used for menu specials, announcements, or even to-do lists. The top cutout allows for easy repositioning without smudging your message, and is best used with traditional blackboard chalk. Fully erasable with just a damp cloth or towel means you can change your message in a moment!

DOUBLE SIDED PLASTIC TABLE NUMBERS  
No. 1-50 4933-1-50 No. 51-100 4933-51-100

Help your staff or guests “find their place” with ease using Alpine Industries Plastic Table Number Cards. Featuring bold black numbers printed both sides of an easily cleaned brilliant white 4 x 4-inch background, these numbered cards find applications beyond designating table numbers at weddings, banquets and other special events. Comes in packs of numbers 1-50 and 51-100.

SELF STANDING NUMBER CARDS  
493-1-25 / 493-26-50 / 493-51-75 / 493-76-100

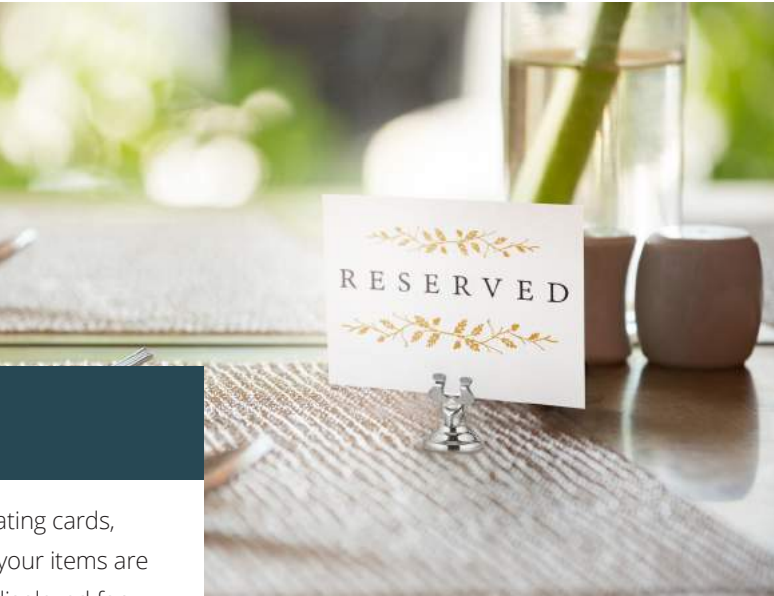

The Self Standing Number Cards sign set makes it easy to clearly label your tables at any event! These durable, acrylic table number signs are printed on both sides and are self-standing to eliminate the need of an additional card holder.

SAFETY HANGING SIGN  
498-HAN

With our Safety Hanging Sign you can easily let customers, visitors, and employees know when an area or room is temporarily unavailable for use. Alpine's brightly OSHA and ANSI compliant colored sign suspends in doorways, clearly closing off any area for maintenance. This item features twist-action pole for ease of use and placement between wall supports, and bi-lingual message for easy reading. Polyester sign can be wrapped around pole for compact storage when not in use.

WET FLOOR SIGN HOLDER  
499-HOLDER

The Wet Floor Sign Holder can be installed adjacent to any floor area subject to hazardous wet conditions. Made of sturdy steel construction, it is the ideal solution for secure storage of up to 7 commonly used Caution Wet Floor signs.
